

Notes:

34 Ft. trailer modeled from Truck #60 on the 1960 and 1961 Beatty-Cole Bros. Show (formerly on Christiani Bros. Circus.) Adapt trailer to suit available wheels and tractor unit. The trailer has usual double doors at back. Due to the poor quality of the original, this drawing was re-drawn by the Superintendent of Plans in August 2003. Every attempt was made to preserve all original data.
