

### Notes from The Superintendent of Plans

This wagon is similar to Hagenbeck-Wallace Wagons 4 and 6 but no information on a wagon with a "Knight" figure could be found. The Sep/Oct 1987 LCW provides a list of Hagenbeck-Wallace cage wagons as of 1934. No specific data was provided on the original drawing. Please note that the scale may be off due to various generations of copying.

### Hagenbeck-Wallace Two Section Cage Wagon

DATE: 1930s

SCALE: 1/2" = 1'

SCANNED & REVISED:  
04/29/03
