

Notes:

On the Rear View Door 1 swung up and door 2 dropped down.
Built in drawers ran down the inside of the wagon.
Standard Ringling front gear was used on this wagon.

RBBB Commissary Wagon No. 14 in 1949. It carried a surprisingly large stock of the most common needs of the show's personnel: cigarettes, razor blades, cosmetics, work shirts and pants and such.

RBBB

Commissary Wagon No. 14
