

Popcorn stand on the midway of the Clyde Beatty-Cole Bros. Circus in 1957. Note the glass enclosed stand, a modern sanitary requirement that earlier shows did not have. [Carver Photo]

Notes:

1. Glass partitions were used on the cotton candy, snow-cone, popcorn and ice cream stands.
2. Six foot sections may be added to enlarge the stand.

Roof View

Plans Superintendent's Note:

This plan has been re-drawn for clarity and to correct scale and dimension problems on the original.
